

Peace Pledge

What is peace? Peace is when there is no fighting. Peace is when people feel happy and safe. Peace is a feeling. We sometimes need to work hard to make sure that we can have peace. We need to help other people to feel peaceful too.

A Peace Pledge

A pledge is a promise.

On the other side of this card, you can write your own peace pledge. Write 3 things you pledge to do from now on to make everyone you live with feel peaceful. This might be a promise to always say thank you when given something. It might be a pledge to share your toys with others. Let's make your home as peaceful as possible!

My Peace Pledge

I declare that I
pledge to always do the following to make everyone who lives in my home feel
peaceful:

1.

2.

3.
